## ACEC RETIREMENT TRUST

The ACEC Retirement Trust allows any size firm to have enormous buying power. The ACEC Retirement Trust was originally formed in 1973 for the purpose of combining the assets of multiple unaffiliated firms to provide:

- Greater fiduciary protection for individual retirement plans
- Cost effective administration and recordkeeping
- Quality, low-cost investments typically unavailable to individual firms. A personal financial advisor for all, included in our low fee.
- Innovative participant education resources
- More frequent and detailed review and reporting without tying up your internal resources
