

together we're

BUILDING for your FUTURE

ADVOCACY

- ✘ Your ACEC-IL staff and lobbyists advocate to **protect your business**, encourage options for long-term sustainable infrastructure funding, and for retention of Quality Based Selection for professional services.
- ✘ ACEC National has an entire staff dedicated to **preserving engineering excellence**. ACEC has one of the **largest PACs in the nation**, making our voices heard in the halls of Congress.

EDUCATION

- ✘ Designing educational content to **earn PDHs** for your license requirements.
- ✘ Member-organized and government agency-sponsored **seminars**.

NETWORKING & COMMITTEES

- ✘ **Network with over 1,200 members on committees**—most of which are government liaison committees.
- ✘ Be a part of **open communication** with agencies and other firms.
- ✘ Help **set the educational tone** and provide valuable content to benefit the entire membership.

TRUST PROGRAMS

- ✘ ACEC Life/Health plan with UnitedHealth Care gives **significant healthcare savings**.
- ✘ Retirement plan has some of the **lowest expense ratios**.
- ✘ Business Insurance is **designed by engineers** who know how your business functions.

ENGINEERING EXCELLENCE

- ✘ Awards celebrate the amazing work you provide your clients, and **promote your outstanding efforts**.

we **ARE**
the business of
ENGINEERING
