

together we're

BUILDING for your FUTURE

ADVOCACY

- ✦ Your ACEC-IL staff and lobbyists advocate to protect your business, encourage options for long-term sustainable infrastructure funding, and for retention of Quality Based Selection for professional services.
- ✦ ACEC National has an entire staff dedicated to preserving engineering excellence.
- ✦ ACEC has one of the largest PACs in the nation, making our voices heard in the halls of Congress.

EDUCATION

- ✦ Designing educational content to earn PDHs for your license requirements.
- ✦ Member-organized and government agency-sponsored seminars and conferences.

NETWORKING

- ✦ Network with over 1,200 members on committees—most of which are government liaison committees.
- ✦ Be a part of open communication agencies and other firms.
- ✦ Help set the educational tone and provide valuable content to benefit the entire membership.

TRUST PROGRAMS

- ✦ Life/Health plan with UnitedHealth Care gives significant healthcare savings.
- ✦ Retirement plan has some of the lowest expense ratios.
- ✦ Business Insurance is designed by engineers who know how your business functions.

ENGINEERING EXCELLENCE

- ✦ Awards celebrate the amazing work you provide your clients, and promote your understanding efforts.

we **ARE**
the business of
ENGINEERING

ACEC Illinois is the only statewide association dedicated solely to the interests of consulting engineering firms.

Contact Amanda Johnson, Director of Membership, about joining ACEC-IL.
